

Principle Investigators Centre of Excellence of Dental Stem Cell Biology

Director
Professor Thanaphum Osathanon

Section 1: Cell and Molecular Biology of Dental Stem Cells

Dr. Phoonsuk Limraksasin

Dr. Worachat Namangkalakul

Dr. Chatvadee Kornsutthisopon

Assistant Professor Supreda
Srithanyarat

Postdoctoral Fellows 5 persons
Research Assistance 3 persons
Doctoral Students 4 persons
Master Students 9 persons

Section 2: Stem Cells Isolated from Human Deciduous Teeth and Pediatric Dentistry

Associate Professor
Waleerat Sukarawan

Assistant Professor
Nattanan Govitvattana

Associate Professor
Wannakorn Sriarj

Assistant Professor
Oranuch Techatharathip

Master Students 5 persons

Section 3: Mechanobiology of Dental Stem Cells

Associate Professor
Chalida Limjeerajarus

Dr. Jeeranan
Manokawinchoke

Postdoctoral Fellows 2 persons
Doctoral Students 2 persons
Master Students 2 persons
